Environment – Sustainability

### Our Services

#### Office Cleaning

A clean office can improve your team's physical and emotional well being, as well as ensuring that any visitors/customers get a great first impression.

#### School Cleaning

KeystoneFM has a demonstrated history of achieving outstanding results for schools. We have over 20 years of experience in providing regular cleaning services and have become a trusted provider of professional cleaning solutions to a diverse range of educational institutions.

#### GP/Dentist Cleaning

Keystone FM works with GP surgeries, Health Care Centres & Dental Surgeries to maintain a clean and hygienic environment by providing a quality and cost effective cleaning service that is CQC compliant.

#### Communal Cleaning

We deliver cleaning services to numerous managing agents, housing associations, and privately managed buildings in London on a daily, weekly, and monthly basis .
